

FAMILY PROJECT

RECYCLED ORANGE BIRD FEEDERS

Materials:

Oranges

Straws or Skewers

Peanut Butter or PB

Substitute

Bird Seed

Yarn

Knife

Scissors

Steps:

1. Cut your orange in half.
2. Scoop out the fruit leaving you with a little orange bowl.
3. Pierce 4 holes evenly around the middle of the orange. Think North, South, East and West.
4. Insert skewers or straws into those holes, overlapping through the middle.
5. Mix your bird seed and peanut butter together and place inside the orange cup.
6. Tie equal pieces of yarn to each of the straws or skewers. and tie off at the top.
7. Hang from a branch or feeding stand and enjoy bird watching!
